**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**  
**UNDER 37 CFR §1.56**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Submitted herewith on Form PTO/SB/08 is a listing of documents known to Applicants in order to comply with Applicants' duty of disclosure pursuant to 37 CFR §1.56.

A copy of each non-U.S. patent document and each non-patent document is being submitted to comply with the provisions of 37 CFR §1.97 and §1.98.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be

appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

### **TIMING OF THE DISCLOSURE**

The listed documents are being submitted in compliance with 37 CFR §1.97(c), before the mailing date of either a final action under 37 CFR §1.113, a notice of allowance under 37 CFR §1.311, or an action that otherwise closes prosecution in the application.

### **RELEVANCE OF EACH DOCUMENT**

All of the documents are in English.

During litigation of US Pat No 6,919,122 (the parent of the present application), the defendants suggested that there may be additional inventors of the subject matter of the present patent. The attached deposition transcripts of Scott March, Ronald Godsen, and Glenn Schackmuth include portions that relate to that suggestion. These deposition transcripts may also contain discussion of other topics of interest to the examiner.

The deposition transcripts of Ronald Godsen and Glenn Schackmuth have been redacted. The full deposition transcripts are protected as confidential by a protective order from the litigation in which they were taken. The deposition transcripts were redacted at McDonald's request because they contained discussions of information that McDonald's considered to be business-confidential. The examiner may feel free to contact counsel for McDonald's for further information if non-redacted transcripts are of interest in this proceeding.

Applicants respectfully request that each listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609.

**ADDITIONAL INFORMATION**

Applicants are aware that at least companies named Furon and Taconic were working on belts to compete with the belt of the present application at about the time that the belt of the present application was developed.

Applicants are also aware that a company named Marshall Air (a competitor of the company – AJ Antunnes - for which the Applicants developed the belt of the present application) may also have been working on a silicone-coated belt with ribs for a toaster at about the same time as or before the Applicants developed the belt of the present application. See correspondence from AFC dated Oct. 6, 2004 previously submitted to the PTO in an IDS. The examiner is invited to contact Marshall Air and AFC for additional information.

**FEE**

A credit card payment form in the amount of \$180.00 is enclosed in accordance with 37 CFR §1.17(p) to cover the fee associated with an information disclosure statement under 37 CFR §1.97(c).

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 06-1447. Should no proper payment be enclosed herewith, as by the credit card payment form being unsigned, providing incorrect information resulting in a rejected credit card transaction, or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 06-1447.

Respectfully submitted,
